PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Applicant, pursuant to 37 CFR 1.181 and MPEP 711.03(c)(I), hereby petitions the Commissioner of Patents to withdraw a holding of abandonment in the above-designated application.

On April 6, 2007, Applicant received a Notice of Abandonment in the above-referenced case, but it became associated with the incorrect file and did not come to Applicant's attorney's attention. In fact, upon the undersigned's personal knowledge, an Office Action Response that included an authorization for a three-month extension had been timely filed March 19, 2007 with a Certificate of Mailing (copy enclosed).

After slightly less than four months from submission of the March 19 documents, Applicant's Attorney checked on the status of the application to discover a Notice of

Abandonment had issued. Immediately upon such discovery, Applicant's attorney caused the present Petition to be filed.

Therefore, Applicant submits that the fact that the present Petition is not being submitted within two months from the holding of abandonment is not intentional. Favorable consideration of this petition and dispatch of the office action are respectfully requested.

According to MPEP 711.03(c)(I)(B), this petition does not require a fee. However, if indeed one is necessary, the Patent Office is authorized to charge it against Deposit Account No. 162201.

Respectfully submitted,

Nelson D. Nolte, Reg. No. 42,938
